

TOWN OF PALM BEACH

Office of The Town Clerk

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 I. CALL TO ORDER AND ROLL CALL

2

3 The Special Town Council Meeting was called to order on Tuesday, February 26,
4 2008, at 9:30 a.m., in the Town Council Chambers. On roll call, the following elected
5 officials were found to be present:

6

7 Mayor Jack McDonald

8 President Richard M. Kleid

9 President Pro Tem Denis P. Coleman

10 Council Member Gail Coniglio

11 Council Member Susan Markin

12 Council Member David Rosow

13

14 Others present for all or a portion of the meeting were:

15

16 Town Manager Peter B. Elwell

17 Deputy Town Manager Thomas G. Bradford

18 Assistant Town Manager Sarah E. Hannah

19 Town Attorney John C. Randolph

20 William Amador - Fire-Rescue Chief

21 Jay Boodheshwar - Recreation Director

22 Paul Brazil - Public Works Director

23 Eric Brown - Public Works Assistant Director

24 William Crouse - Human Resources Director

25 Richard Howe - Police Major

26 John Page - Planning, Zoning & Building Director

27 Michael Reiter, Police Chief

28 Susan Eichhorn, Town Clerk

29

30

**MINUTES OF THE SPECIAL TOWN COUNCIL MEETING
HELD ON TUESDAY, FEBRUARY 26, 2008**

1
2 **II. PLEDGE OF ALLEGIANCE**

3
4 The Pledge of Allegiance was led by President Kleid.
5

6
7 **III. APPROVAL OF AGENDA**

8
9 **The agenda was approved through motion of President Pro Tem Coniglio,**
10 **seconded by Council Member Markin. On roll call, the motion carried**
11 **unanimously.**
12

13
14 **IV. MATTERS RELATED TO TOWN BOARDS AND COMMISSIONS**

15
16 **A. Simultaneous Service on Two Town Boards or Commissions.**
17 **[John C. Randolph, Town Attorney]**
18

19 Town Attorney referred to his memorandum dated February 21, 2008, included in
20 the back-up material for today's meeting. He summarized the information.
21

22 Discussion ensued relative to preferences for a Town Council policy.
23

24 **President Pro Tem Coniglio moved that the Town Council policy state that**
25 **membership would be limited to one commission at a time and that the three**
26 **commission/board members currently serving on more than one commission would**
27 **be contacted to determine what commission/board they would rather serve on, and**
28 **move forward from there. The motion was seconded by Council Member Coleman,**
29 **with the remark that he would prefer that the entire issue be further discussed at**
30 **the March 11, 2008, Town Council meeting, in order to give the three applicants the**
31 **opportunity to resolve the matter before that time.**
32

33 Council Member Markin commented that she would like to go on record that it
34 was her personal opinion that for anyone to assume that an applicant was going to resign
35 from one board when making application to another was really the Town's mis-
36 communication, or misinterpretation of the statute. She reiterated that the individuals
37 who come forward to serve on the commissions did so at the risk of their own privacy, at
38 the risk of embarrassment, and the individuals had every intent of wanting to serve the
39 Town in an upright manner. She stated that the policy adopted should be implemented

**MINUTES OF THE SPECIAL TOWN COUNCIL MEETING
HELD ON TUESDAY, FEBRUARY 26, 2008**

1 consistently. She suggested that the individuals should be allowed to choose, according
2 to whatever policy was adopted, and that it should not be stated that anyone was being
3 thrown off any commission/board.

4
5 **President Pro Tem Coniglio amended the motion to exclude ad hoc**
6 **committees from the policy of citizen service on one board at a time. Amended**
7 **motion accepted by seconder Coleman. After further discussion, and upon roll call**
8 **the motion carried 3/2:**

9
10 **President Pro Tem Coniglio: Yes**
11 **Council Member Coleman: Yes**
12 **Council Member Markin: No**
13 **Council Member Rosow: No**
14 **President Kleid: Yes**

15
16 Town Manager Elwell clarified that staff would contact each of three individuals
17 directly affected by this policy decision, and those individuals would select the board that
18 he/she preferred to serve on. For all future applications, when an application was
19 received from someone already serving on a board/commission, that applicant would be
20 advised of the new policy, and a notation will be made in the standard format of the
21 balloting information, so that when the Town Council cast its ballots, it would be very
22 clear to them which applicants were already serving on another board and thus would be
23 affected by the new policy.

24
25 President Pro Tem Coniglio clarified that the three individuals concerned would
26 be given the option of choosing which board they would serve.

27
28 Council Member Markin suggested that there be a line on the application itself
29 asking if the applicant was serving on another board/commission, and if appointed to the
30 board/commission being applied for, which one would the applicant choose.

31
32 Council Member Rosow commented that if an applicant was applying for a new
33 position, it would be presumed that the applicant would give up any current position. He
34 suggested that a candidate should have to indicate that they would resign from a current
35 position in order to accept appointment on another board/commission.

36
37 Mr. Elwell stated that it would be very helpful to staff to ensure where the
38 majority of the Town Council stood on that question.

**MINUTES OF THE SPECIAL TOWN COUNCIL MEETING
HELD ON TUESDAY, FEBRUARY 26, 2008**

1 Mr. Elwell suggested that staff could insert a statement on the application,
2 somewhere near the signature line, that said that any applicant who was currently serving
3 on a Town board/commission must resign from that board/commission if they were
4 appointed to a new board. When the applicant signed the application, they would then be
5 acknowledging the policy of the Town Council.

6
7 It was the consensus of the Town Council that a new line would be inserted on the
8 application for the applicant to fill in if the applicant was currently serving on another
9 board/commission.

10
11
12 **B. Deadline for Submittal of Applications for Appointment to a Town Board**
13 **or Commission. [Peter B. Elwell, Town Manager]**
14

15 Town Manager Elwell referred to his memorandum dated February 21, 2008,
16 included in the back-up material for today's meeting. He summarized that the Town
17 Council had established a policy some years ago, to accept applications that were
18 submitted after the published deadline of not less than 35 days before the Town Council
19 meeting in which the appointment would be considered. Applications were allowed to be
20 received right up until the time that the Town Council cast ballots; consideration was
21 given to late applications as to whether to consider them as fully as those that had come
22 in on time.

23
24 After discussion, **Motion made by Council Member Rosow, seconded by**
25 **Council Member Markin that applications would be due not less than 15 days**
26 **before the Town Council meeting in which the appointment will be considered.**
27

28 President Pro Tem Coniglio commented that she also supported a shorter time
29 frame, and that she found the oral presentation of the applicants most valuable.

30
31 Council Member Markin suggested an amendment to the motion that the deadline
32 date would be honored in a firm and consistent manner.

33
34 Council Member Rosow amended the motion to include that the deadline
35 date would be honored in a firm and consistent manner, and to set the policy of
36 establishing a deadline date – applications would be due not less than 10 days before
37 the Town Council meeting in which the appointment will be considered. Council
38 Member Coleman seconded the motion, as amended. On roll call, the motion
39 carried unanimously.

**MINUTES OF THE SPECIAL TOWN COUNCIL MEETING
HELD ON TUESDAY, FEBRUARY 26, 2008**

1 Former Mayor Marix, 1570 North Ocean Blvd., commented that the Town
2 Council should consider adding a requirement that those applying for
3 boards/commissions should be required to attend a certain number of meetings prior to
4 applying.

5
6 After further discussion, it was the consensus of the Town Council that there
7 would be no formal requirement, and that there was already a question on the application
8 in that regard.

9
10
11 **V. MATTERS RELATED TO PAR 3 GOLF COURSE RESTORATION**

- 12
13 **A. ORDINANCE NO. 3-08** An Ordinance of the Town Council of the Town
14 of Palm Beach, Palm Beach County, Florida, Providing for an
15 Amendment to the Town's Recreation Enterprise Fund Budget Adopted
16 for the Fiscal Year Commencing October 1, 2007, Providing an Effective
17 Date. [Jane Struder, Director of Finance]

18
19 Town Attorney Randolph read Ordinance No. 3-08 by title, as printed above.

20
21 **Motion made by President Pro Tem Coniglio, seconded by Council Member**
22 **Rosow, to adopt Ordinance No. 3-08 on second reading. On roll call, the motion**
23 **carried unanimously.**

- 24
25
26
27
28 **B. RESOLUTION NO.10-08** A Resolution of the Town Council of the
29 Town of Palm Beach, Palm Beach County, Florida, Awarding a Contract
30 to Raymond Floyd Design for Design Services for the Restoration of the
31 Palm Beach Par 3 Golf Course.
32 [Jay Boodheshwar, Director of Recreation]

33
34 Director of Recreation Jay Boodheshwar reported that staff recommended
35 approval of Resolution No. 10-08, authorizing the Town Manager to execute an
36 agreement with Raymond Floyd Design in the amount of \$221,000 for design services
37 for the restoration of the Par 3 Golf Course. He noted that the contract would not be

1 executed by the Town Manager until the Town was in receipt of the Par 3 Group
2 committed donations to fund this design work.

3
4 **President Pro Tem Coniglio moved adoption of Resolution No. 10-08, with**
5 **the conditions as outlined by staff. The motion was seconded by Council Member**
6 **Coleman. On roll call, the motion carried unanimously.**

7
8
9
10 **VI. MATTERS RELATING TO THE COMPREHENSIVE REVIEW OF TOWN**
11 **OPERATIONS**

12
13 **A. Modifications to the Charitable Solicitation Ordinance.**
14 **[Sarah E. Hannah, Assistant Town Manager]**

15
16 Assistant Town Manager Sarah Hannah reported that a draft ordinance had been
17 prepared for consideration on first reading at the March 11, 2008, Town Council meeting.
18 The ordinance would allow PB Cats, Inc., or any other Town tax supported organization,
19 the ability to have more than two fund-raising events per year.

20
21 President Kleid suggested minor language changes on page 8 of the draft
22 ordinance.

23
24 Council Member Rosow referred to some of the requirements of the ordinance as
25 to the investigatory burden put on staff. Town Manager Elwell responded that staff was
26 currently accomplishing the requirements of the ordinance.

27
28 **B. Fee for Maintenance of Private Historic and Specimen Trees.**
29 **[H. Paul Brazil, Director of Public Works]**

30
31 Public Works Director Paul Brazil reviewed the scope of the Town's maintenance
32 for historic and specimen trees and requested direction on the establishment of fees
33 associated with the maintenance of these trees.

34
35 Public Comment was made by John Ripley, Preservation Foundation of Palm
36 Beach, who stated that he hoped that there was no way that trees would be lost because
37 residents either did not care or did not recognize the importance of maintaining historic
38 and specimen trees. He noted that the Town goes to great pains to keep the public space
39 beautiful and ensure that private homeowners recognize landmarked architecture.

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 Council Member Rosow moved approval of trying the program for one year,
2 with the proposed annual user fee of \$221 per tree, for all private properties that
3 wish to have the Town perform the tree maintenance on their historic or specimen
4 trees; staff to report back in one year regarding the results of the program. The
5 motion was seconded by Council Member Markin.

6
7 Council Member Coleman and Council Member Markin requested that the report
8 be provided at the six-month point, in addition to the one year report.

9
10 Town Manager Elwell clarified that staff would include this item on the Consent
11 Agenda for the March 11, 2008, Town Council meeting, so that the fee would be created
12 by resolution.

13
14
15
16 C. Expansion of Beach Cleaning Program to Include Non-Condo Private
17 Properties. [H. Paul Brazil, Director of Public Works]
18

19 Public Works Director Paul Brazil reported information in response to the Town
20 Council request to evaluate the possibility of cleaning all of the beaches in the Town.
21 Currently, the program consisted of cleaning the public beaches. Cleaning was also done
22 in the south end via a beach cleaning agreement with the Citizens' Association of Palm
23 Beach. The program was currently funded at approximately \$167,000, consisting of six
24 pieces of equipment and two people (one full time, one part time).

25
26 Mr. Brazil reported that staff had reviewed several alternatives for providing
27 services to residents, and the only way to do this in an effective manner was to involve
28 everyone. If the program was optional, on any given year there could be a management
29 nightmare with staffing and equipping the program properly. If the current approach was
30 expanded, he suggested the same approach as was used with the condominiums in the
31 south end and the Citizens' Association. If the entire Town was included, he estimated
32 an up front, initial cost of \$90,000 for equipment, and \$150,000-\$160,000 per year for
33 manpower, depreciation on the equipment, benefits, etc. The level of service would be
34 similar to what was current at mid-Town and the south end, if access was available.
35 There were some areas in Town where there simply was not enough beach to clean.

36
37 After discussion regarding the responsibility of ocean front homeowners to keep
38 beaches clean, contacting them to determine whether they would be willing to pay the

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 Town for those services, it was determined that these items would be included during the
2 FY09 budget considerations.

3
4 It was the consensus of the Town Council not to take any action regarding
5 additional beach cleaning at this time, and that the issue would be brought back at a later
6 date.

7
8
9
10 D. Reduction in Frequency of Street Sweeping Services.
11 [H. Paul Brazil, Director of Public Works]
12

13 Public Works Director Paul Brazil reported the cost impacts and practical
14 considerations related to the possible reduction of street sweeping services.
15

16 After discussion, it was the consensus of the Town Council not to take any action
17 regarding this item, and to retain the current level of service.
18
19

20
21 E. Automated Telephone Attendant. [Jane Struder, Director of Finance]
22

23 Finance Director Jane Struder reported on the use of an automated telephone
24 attendant.
25

26 It was the consensus of the Town Council not to take any action regarding this
27 item, and to retain the current system.
28
29

30
31 F. Annual Report. [Jane Struder, Director of Finance]
32

33 Finance Director Jane Struder reported on a paperless annual report.
34

35 After discussion, it was determined that this item would be further reviewed and
36 discussed at a Finance & Taxation Committee meeting, scheduled to be held on Monday,
37 March 3, 2008, at 10:30 a.m. in the Town Council Chambers.
38
39

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 G. Electronic Document Management ("Going Paperless").
2 [Jane Struder, Director of Finance]
3

4 Finance Director Jane Struder reported on the current and future use of
5 technology for the purpose of managing records electronically. Staff suggested that
6 document and content management software be purchased at an estimated cost of
7 \$75,000, in order to make current efforts more efficient, and to allow documents to be
8 easily retrieved by all departments. An additional I.S. staff member would be required to
9 design, implement, and train staff on the system.
10

11 After discussion, Council Member Rosow moved that the software be
12 purchased at an estimated cost of \$75,000, and that staff be directed to out source
13 the I.S. position to design, implement and train staff on the system. The motion was
14 seconded by Council Member Coleman. After further discussion, the motion was
15 withdrawn by both parties.
16

17 Information Systems Manager Spencer Wilson explained that his purpose in
18 suggesting an additional I.S. staff member had been inclusive of the document
19 management software duties and additional duties as the Town migrated from one system
20 to another (Eden Software - Item "M" on the agenda for today's meeting).
21

22 Town Manager Elwell suggested that staff provide additional information at the
23 April Town Council meeting on both the staff position and the data management
24 package.
25

26 After further discussion, it was the consensus of the Town Council to direct staff
27 to provide additional information regarding I.S. staffing and the data management
28 software package, to be presented at the April Town Council meeting.
29

30 President Kleid stated for the record that he was opposed to the costs for data
31 management software at this time – this could be done in a later year, and that much time
32 had been spent in trying to reduce the budget.
33

34 Council Member Markin suggested that outsourcing costs be reviewed before any
35 decision is made.
36
37
38

39 H. Planned vs Unplanned Overtime. [Jane Struder, Director of Finance]

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 Finance Director Jane Struder reported on the planned versus unplanned overtime
2 hours for the last two fiscal years.

3
4 The Town Council accepted the report of Ms. Struder, and after discussion, there
5 was no action taken by the Town Council in this regard.

6
7
8
9 I. Information Regarding Incumbents in Positions Being Considered for
10 Elimination. [William C. Crouse, Director of Human Resources]

11
12 Director of Human Resources William Crouse reported on the six staff positions
13 that had been identified for possible elimination.

14
15 After brief discussion, there was no action taken by the Town Council in regard to
16 this item.

17
18
19
20 J. Elimination of Contractual Emergency Management Coordinator.
21 [Sarah E. Hannah, Assistant Town Manager]

22
23 Assistant Town Manager Sarah Hannah reported on the risks and rewards of
24 eliminating the Emergency Management Coordinator position, and incorporating those
25 responsibilities into a current staff position.

26
27 **President Pro Tem Coniglio moved that the Emergency Management**
28 **Coordinator position be maintained contractually, as it currently stood, and moved**
29 **approval of the staff recommendation that the funding of \$5,000 per year for the**
30 **Town hosting the annual hurricane seminar would be eliminated; while the Town**
31 **would not charge for the service, any non-Town organization requesting seminars**
32 **would be responsible for coordinating the event and paying the associated expenses.**
33 **The motion was seconded by Council Member Coleman. On roll call, the motion**
34 **carried unanimously.**

35
36 After discussion, it was suggested by Mayor McDonald that the Emergency
37 Management Coordinator should be available all summer, and that detail should be
38 included in his contract.

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 K. Partial Elimination of the Warehouse. [Jane Struder, Director of Finance]

2
3 Finance Director Jane Struder reported on the partial elimination of the
4 warehouse.

5
6 After discussion, there was no action taken by the Town Council in this regard.
7
8
9

10 L. Contracting Out the Risk Management Function and/or Accelerating the
11 Elimination of the Risk Assistant Position.
12 [Thomas G. Bradford, Deputy Town Manager]
13

14 Deputy Town Manager Thomas Bradford reported on the feasibility of
15 contracting for risk management and the potential acceleration of the elimination of the
16 risk assistant position.
17

18 Discussion took place regarding the assimilation of the Risk Manager physically
19 into the Town Manager's office, with the planned upcoming Town Hall renovations.
20 Until the renovations were completed, the Risk Manager would remain physically
21 separated from administrative staff, should the current Risk Assistant position be
22 eliminated. This would result in problems associated with common access to the files.
23 In order to have the files scanned for common access, estimated costs were \$11,302.
24

25 Town Manager Elwell clarified that an efficiency had been identified that would
26 eliminate the Risk Assistant position, with staff in the Town Manager's office helping
27 out in that regard after the physical consolidation to take place after the Town Hall
28 renovation. Right now, until the renovation was complete, the Risk Manager was located
29 in a building across the street. The Risk Assistant was now a contractual part time
30 position, just until the physical move occurred. Today, consideration would be given as
31 to whether to accelerate the Risk Assistant position elimination, and also whether to fully
32 contract out the Risk Management function. Staff believed that it was in the Town's best
33 interest to keep the Risk Manager on staff.
34

35 Discussion took place regarding the scanning associated with the acceleration of
36 the elimination of the Risk Assistant position, and the document management software
37 discussed under Item G.
38

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 After further discussion, there was no action taken by the Town Council in regard
2 to the Risk Management function, or the accelerating of the elimination of the Risk
3 Assistant position at this time. Fuller information would be brought back regarding the
4 scanning situation and the possible integration of those costs with the document
5 management software, at the April Town Council Meeting.

6
7
8
9 M. Impact of Additional Information Systems Staff Upon Eden Software
10 Implementation Schedule. [Thomas G. Bradford, Deputy Town Manager]
11

12 Deputy Town Manager Thoms Bradford reported on increasing the rate of
13 implementation of Eden modules, and hiring another Information Systems staff member.
14 He pointed out that it was not necessarily a given that if more I.S. staff was hired that the
15 scheduled Eden software modules scheduled for this fiscal year could be implemented
16 faster. The speed at which the Eden modules were being done was a function of the
17 individual departments and their ability to assign the resources to implement. However,
18 if the Town Council wanted to accelerate the implementation of those modules which
19 were planned for future fiscal years, the additional I.S. staff member would be beneficial.
20

21 It was the consensus of the Town Council to combine this item with the other two
22 items related to I.S. and software implementation, at the April Town Council Meeting, as
23 one package.
24
25

26 N. Updated Summary of State and Federal Mandates.
27 [Sarah E. Hannah, Assistant Town Manager]
28

29 Assistant Town Manager Sarah Hannah reported that she had provided an
30 updated list of unfunded mandates with which the Town must comply. The total dollar
31 amount of complying with these mandates was \$13,054,927.
32
33
34

35 VII. ANY OTHER MATTERS
36

37 Council Member Rosow commented that he had met with City of West Palm
38 Beach Mayor Frankel, to discuss the water issue. He noted that his reading of the water
39 contract between the Town of Palm Beach and the City of West Palm Beach indicated

MINUTES OF THE SPECIAL TOWN COUNCIL MEETING HELD ON FEBRUARY 26, 2008

1 that the City of West Palm Beach was not allowed to provide any surcharge on the Town
2 of Palm Beach for any reason whatsoever. He recommended that the language be looked
3 at carefully.

4
5 Council Member Rosow commented regarding garbage pick-up and Public Works
6 Director Brazil responded to questions.

7
8 Council Member Coleman and Council Member Rosow reviewed the information
9 they would be requesting from Finance Director Struder for the upcoming Finance &
10 Taxation Committee meeting scheduled for Monday, March 3, 2008.

11
12
13
14 VIII. ADJOURNMENT

15
16 There being no further business, the Special Town Council Meeting of February
17 26, 2008, was adjourned at 12:17 p.m.

18
19
20
21 APPROVED:

22
23 

24
25 Richard M. Kleid
26 Town Council President

27 ATTESTED:

28
29 

30 Susan A. Eichhorn
31 Town Clerk
32
33
