VII. PUBLIC HEARINGS:

A. Reconsideration of Application for Certificate of Appropriateness #7-10 (per Town Council action 5/12/10)

Owner/Applicant: Terry Taylor

Address: 780 South Ocean Boulevard

Architect: Brasseur & Drobot Architects, P.A.

Project Description: Request approval for addition to historic structure which is further described as: The project consists of a proposed 1,038 sq. ft., one story addition to the northeast corner of the existing historic, two-story residence. The addition shall consist of a summer kitchen, patio, fireplace, and wine room accessed from the existing kitchen vestibule via covered loggia. Existing fabric awnings located at the northeast corner of the existing residence will be replaced with the new covered loggia with detailing similar to the existing loggia on the north side of the existing residence. The plate height of a small structure housing an exterior stair shall be raised to match the new loggia. Existing landscaping and hardscaping shall be removed to accommodate. The project will require a dimensional waiver for the side yard setback of the landmarked property located at 780 South Ocean Boulevard. Code Section 134-237(2)a allows for a reduced setback for expansion of a landmark building. The side yard setback reduction can be up to 65% of the underlying zoning district requirement; provided, however, that the sideyard setback shall not be less than 5 feet; and, in our case, we are encroaching 4 ft. 9 in. into the 30 ft.-0 in. side yard setback as specified in Code Section 134-843 (a) (8) for the R-A Estate Residential District. This equates to reducing the 30 ft.-0 in. side yard setback to 25 ft-3 in., a 15% decrease.

Please note that this project had been deferred from the March LPC meeting to the April LPC meeting so it could be re-advertised including the request for dimensional waiver. At the April meeting, the LPC approved the dimensional waiver noting that the implementation of the proposed variance will not cause negative architectural or historical impacts to the subject property; and, approved the architecture as submitted. The LPC decision was appealed: sent to the Town Council's May 12, 2010 meeting; and, at the May 12, 2010 meeting, the Town Council remanded the matter back to the LPC for reconsideration. At the May LPC meeting, there was a motion to accept the project as submitted, together with a deferral of the landscape plan to the June meeting, especially to see how far the east hedges will go. Please note that the Taylor's attorney, Mr. Broberg, has requested that the landscape be deferred to the July 21, 2010 LPC Meeting.
