Lew Crampton, Committee Chair
Danielle Hickox Moore, Committee Member

II. PLEDGE OF ALLEGIANCE

III. APPROVAL OF AGENDA

IV. REGULAR AGENDA

A. Recap of Preliminary Regulation Options Related to Parking in the Royal Poinciana Way Area

Jay Boodheshwar, Deputy Town Manager

B. Community Input Related to Existing and/or Potential Parking Regulations in the Royal Poinciana Way Area

C. Committee Discussion and Q&A with Staff and Meeting Participants

V. ANY OTHER MATTERS

VI. ADJOURNMENT

PLEASE TAKE NOTE:

The progress of this meeting may be monitored by visiting the Town's website (www.townofpalmbeach.com) and clicking on "Meeting Audio". If you have questions regarding that feature, please contact the Office of Information Technology (561) 227-6315. The audio recording of the meeting will appear within 24 hours after the conclusion of the meeting.

Disabled persons who need an accommodation in order to participate in the meeting are requested to contact the Town Manager's Office at 838-5410 or through the Florida Relay Service by dialing 1-800-955-8770 for voice callers or 1-800-955-8771 for TDD callers, at least two (2) working days before this meeting.

TOWN OF PALM BEACH

Information for Business & Administrative Committee Meeting on: January 7, 2021

To: Business & Administrative Committee

From: Jay Boodheshwar, Deputy Town Manager

Re: Summary of Current and Potential Parking Regulations in the Royal Poinciana Way Area

Date: January 3, 2021

STAFF RECOMMENDATION

Staff recommends the Business and Administrative Committee (BAC) of the Town Council review the summary of current and potential parking regulations in the Royal Poinciana Way Business Area provided below and attached, seek community input, and provide direction to staff.

GENERAL INFORMATION

At the November 3, 2020, BAC meeting, staff provided a comprehensive overview of existing parking regulations and preliminary recommendations for all commercial areas of the Town. After much discussion, it was determined that the next step of the committee's review would be to receive community input from both residents and members of the business community. It was determined that three separate meetings should be scheduled to focus individually on the County Road Corridor, Royal Poinciana Way, and the Worth Avenue Areas.

The County Road Corridor was the first area reviewed by the BAC. This meeting occurred on December 11, 2020, and included some overlap with the Royal Poinciana Way and Worth Avenue areas. Subsequent to the review of the Royal Poinciana Way Area, scheduled for January 7, 2021, a review will also be held for the Worth Avenue Area on January 26, 2021. No actions are anticipated by the BAC at either of these meetings, as they are intended to be community feedback sessions only.

The Royal Poinciana Way Area consists of all east/west and north/south commercial or quasi-commercial roads between Atlantic Avenue and Royal Poinciana Way. (FYI - the Royal Poinciana Way Area includes some overlap with the County Road Corridor). Attachment A includes a spreadsheet of preliminary recommendations for the commercial streets in the Royal Poinciana Way Area, relative to the underlying regulation as well as the areas where the placard parking program can be expanded. The spreadsheet includes a list of related streets, number of parking spaces, the current regulation, the proposed regulation (if any change), the current placard program, and proposed placard program changes (if any). As outlined, the proposed regulation changes would modify time limited free parking (1 or 2 hour) on certain streets to paid parking (kiosks and Parkmobile) and the proposed placard program changes would expand an existing placard area.

Attachments B and C were prepared to help visualize the proposed changes outlined in the Attachment A spreadsheet. Attachment B includes aerial maps indicating the existing (green) paid parking areas within the Royal Poinciana Way Area, as well as the areas proposed for new paid parking (yellow). Attachment C includes aerial maps indicating existing (green) placard parking areas, as well as the area proposed for expansion (yellow).
