Minutes

A meeting of the Town of Palm Beach Golf Commission was held on Friday, September 23, 1994 at the golf course clubhouse. In attendance were commission members Tom Keresey, Ash Clark, Ann Herman, Joe Berkow, and staff members Russ Bitzer, Rick Dytrych, and Stephanie Tannone.

The clubhouse will be refurbished in time for the October 1st opening of the course. All course renovations are virtually completed. The driving range and the new (larger) greens are in excellent condition. Heavy rains have caused some delay of the original opening.

The interior of the clubhouse has been painted and the restrooms have been refurbished, painted, and improved.

Drainage at the back of the driving range (250 yards) has been installed to correct previous standing water problems on holes #1 and #2.

The September rain total so far is over 16".

Mole cricket damage has been corrected and the new ducks have taken to the habitat, thanks to Mrs. Ann Herman and Michael Royal.

The annual LPGA Par 3 tournament will be held between February 1st and 10th. The commission recommends the proceeds be donated to the Town Recreation Department for town beautification, not necessarily on or around the Par 3 course. The principal thought is that the reduced proceeds, since we don't have a corporate sponsor anymore, are not really material to the three area hospitals. 1994 net was about $20,000 divided by the three hospitals.

Consideration for a schedule of commission meetings was discussed. Off meetings could be called at any time for a specific purpose, such as the LPGA tournament.

The next meeting of the golf commission will be scheduled for Friday, October 28th, at 9:00 a.m. at Town Hall.

There will be some advertising about the reopening of the course and clubhouse on Saturday, October 1st. There was some discussion about a "specific event" in early November to promote the newly renovated golf facility.

There being no further business, the meeting was concluded at 9:35 a.m.

Respectfully submitted,

Thomas M. Keresey, Chairman
Palm Beach Golf Commission
