a. **MODIFIED SPECIAL EXCEPTION #8-2012 WITH SITE PLAN REVIEW AND VARIANCE** The application of Temple Emanu-El of Palm Beach, Inc.; relative to property commonly known as **190 No. County Road; 224, 226, 234 Seminole Avenue;** described as Lengthy legal description on file; located in the C-TS/R-C Zoning District. The applicant (Temple Emanu-El of Palm Beach) recently obtained ownership of 23,200 square feet of garden/vacant land adjacent to the west of the existing synagogue. The Temple is requesting approval to use the adjacent vacant property as an accessory use to the Temple for religious services and other Temple related activities such as blessing of the animals, sukkot and any other uses that are incidental to a house of worship. The proposed garden activity area will have a fence along the rear/south

side of the property, an 800 square foot pergola, a pathway around the perimeter of the garden, and a few benches. A house of worship is a special exception use in the R-C Zoning District and expanding the use of the Temple into the garden area requires special exception approval with site plan review. A Special Exception is also requested to allow 308 additional permanent seats to the Temple Sanctuary. The total number of permanent seats existing today is 553. A special exception request is required for expanding the seating in the sanctuary from 245 seats to 553 seats. A variance is requested to provide zero (0) additional on site parking spaces in lieu of the additional 77 parking spaces that would have been required for the 308 additional seats that were installed.
